Church Building Ministry Questionnaire

The questionnaire is designed for you to provide us information regarding your ministry building program(s). We will evaluate and **make written recommendations** based on your church's ministry and facility needs for the following areas: Worship space, Fellowship space, other space, Parking space, and Land requirements; Pre-design plans; Preliminary Construction costs. Upon receipt of the completed questionnaire we'll provide you with appropriate designs and costs for your church building project. Please fax, email or mail this form back to us. All information you provide will remain confidential.
